

The Positive Behaviour Support  
Program presents:  
**Positive Parenting: The  
Basics**

*For parents/ caregivers with children with special needs  
aged 3-18 years old*

**You will learn:**

Positive strategies for dealing with difficult behaviours, how to defuse power struggles, offer appropriate choices, be consistent, provide consequences, model appropriate behaviour and much more!

***And for those that have already taken Positive Parenting the Basics – please choose B – The Basics and Beyond!***

*For parents of Children 3 – 18 – you must have taken the pre-requisite course of Positive Parenting the Basics. In this class you will learn further strategies for strengthening your relationship and go deeper into learning the meaning of your child’s behavior and how to develop teaching strategies that are specific to your child’s profile and situation.*
